SPRING 2021

Letter from the Chairman - Doreen Townley

Welcome to our Spring Newsletter - sadly the daffodils are now over, but Spring flowers are taking their place. Our small lawn, at the bottom of the garden is trying to prove it's a wild flower meadow covered with violets, daisies, forget-me-nots etc. We have many flowers and vegetables seeds thriving in the greenhouse. Broad beans are in flower we are eating rhubarb and spinach.

Hopefully, with the lifting of some regulations we are going to be able to have an "Open Garden" on Saturday 3rd July 2.00 pm to 5.00 pm for members, friends and neighbours. There will be no tea or coffee, but there will be wine boxes and cold drinks on a 'help yourself' table. Social distancing will be in order, but it will be lovely to see any of you who feel you can come to 49 Ashdon Road, Saffron Walden CB10 2AQ.

There will be no shows this year but we are hoping that 2022 will be a new start for most activities and we should be planting with this in mind.

Enjoy your garden with best wishes from Doreen.

OBITUARY

Sadly we have to let you know that Margaret Rowell died on Sunday 18th April. She will be remembered for her flower arranging and cooking in our shows and her unfailing support and good humour.

Our thoughts are with John and her family at this sad time.
